Homepage Overview

The homepage displays the latest news, data, activities, and featured infographics. With sitewide search, this provides the user with a portal to easily navigate to all things Open Data

A screenshot of the Open Government Platform homepage. The header features a yellow navigation bar with links for About, News, Data, Infographics, Apps, Community, and Contact. On the right side of the header is a "LOGO" placeholder and a "LOGIN" button with a "No Account yet? Sign up here!" link. The main content area has a large central gray section with left and right arrows. To the right is a sidebar titled "SEARCH DATA HERE" with dropdown menus for CATEGORY (Economics/Labor, Transport/Traffic, Health, Education/Science, Budget/Tax, Geography/Geology), LOCATION, and FORMAT, and a "SEARCH" button. Below this is a "FEATURED INFOGRAPHICS" section with three cards: "PROCUREMENT" (a bar chart with blue and orange bars), "BUDGET" (a chart showing 2010, 2011, 2012, and 2013 data), and "TRAFFIC" (a map of a city with traffic data). At the bottom of the page are sections for "ACTIVITIES" (a video player placeholder), "LATEST NEWS" (an article about an action plan for open data), and "LATEST DATA" (a message from the outreach coordinator).

Slide Gallery

This serves as the headline of the website. A slide gallery may also contain **graphics**, **subtitles**, and a **welcome section**.

OPEN DATASETS

Datasets can be filtered by Departments and Categories to help the users to easily find what they are looking for.

The screenshot shows a web browser window titled 'DATASETS | site.url' with the URL 'http://site.url/catalogue/dataset'. The page has a yellow header with the word 'LOGO'. The main content area is titled 'Datasets' and shows a search bar with 'Search datasets...'. Below it, there's a section for '664 DATASETS FOUND' with a dropdown menu for 'Order by Relevance'. There are three dataset cards: 'ELECTRONIC PROJECT LIFE CYCLE', 'PERFORMANCE OF ACTIVE ODA ASSISTED PROJECTS', and 'PUBLIC DATA'. Each card has a brief description and a 'View Details' button.

Dataset Page

EXPLORING DATASETS

After selecting a dataset, the site will display the dataset page with the name, description, and information of the selected dataset along with its included data and resources.

The screenshot shows a web browser window titled 'DATASET | site.url' with the URL 'http://site.url/catalogue/dataset'. The page has a yellow header with the word 'LOGO'. The main content area shows the 'PERFORMANCE OF ACTIVE ODA ASSISTED PROJECTS' dataset. It includes a description: 'This dataset contains information on the physical status, financial status and performance (fund utilization, time elapsed) of active ODA grant-assisted projects, as well as their basic profile data such as project title, implementing agency, funding institution or development partner, an project start and end dates.' Below the description are sections for 'DATA AND RESOURCES' and 'ADDITIONAL INFO'. The 'DATA AND RESOURCES' section lists 'PERFORMANCE OF ACTIVE ODA GRANT-ASSISTED PROJECTS ...' and 'Explore'. The 'ADDITIONAL INFO' section shows a table with one row: 'Field' (Version) and 'Value' (1.0).

Dataset Page

The screenshot shows a dataset page with a yellow header containing a logo, navigation links (About, News, Data, Infographics, Apps, Community, Contact), and a login/signup link. The main content area displays the dataset title "PERFORMANCE OF ACTIVE ODA ASSISTED PROJECTS" and its description. It includes sections for "DATA AND RESOURCES" and "ADDITIONAL INFO" with a table.

DATASET DETAILS

The dataset page contains several key information including standard fields created by the global open data community, and custom fields added by the Data Administration Team to provide additional useful information to the users.

This section shows a list of links: Dataset, Groups, Activity Stream, and Related. Below it, a message states: "There are no groups associated with this dataset".

GROUPS

Views the groups associated with the dataset.

This section shows a list of activity items, each with a timestamp and a brief description. Examples include "symph deleted the resource PERFORMANCE OF ACTIVE ODA GRANT-ASSISTED PROJECTS AS OF JUNE 2014 (DATASET) from the dataset Performance of Active ODA Assisted Projects 7 days ago" and "symph added the resource PERFORMANCE OF ACTIVE ODA GRANT-ASSISTED PROJECTS AS OF JUNE 2014 (DATASET) to the dataset Performance of Active ODA Assisted Projects 7 days ago".

ACTIVITY STREAM

The history of changes made to the dataset.

This section shows a message: "No related items". At the bottom is a yellow "ADD RELATED ITEM" button.

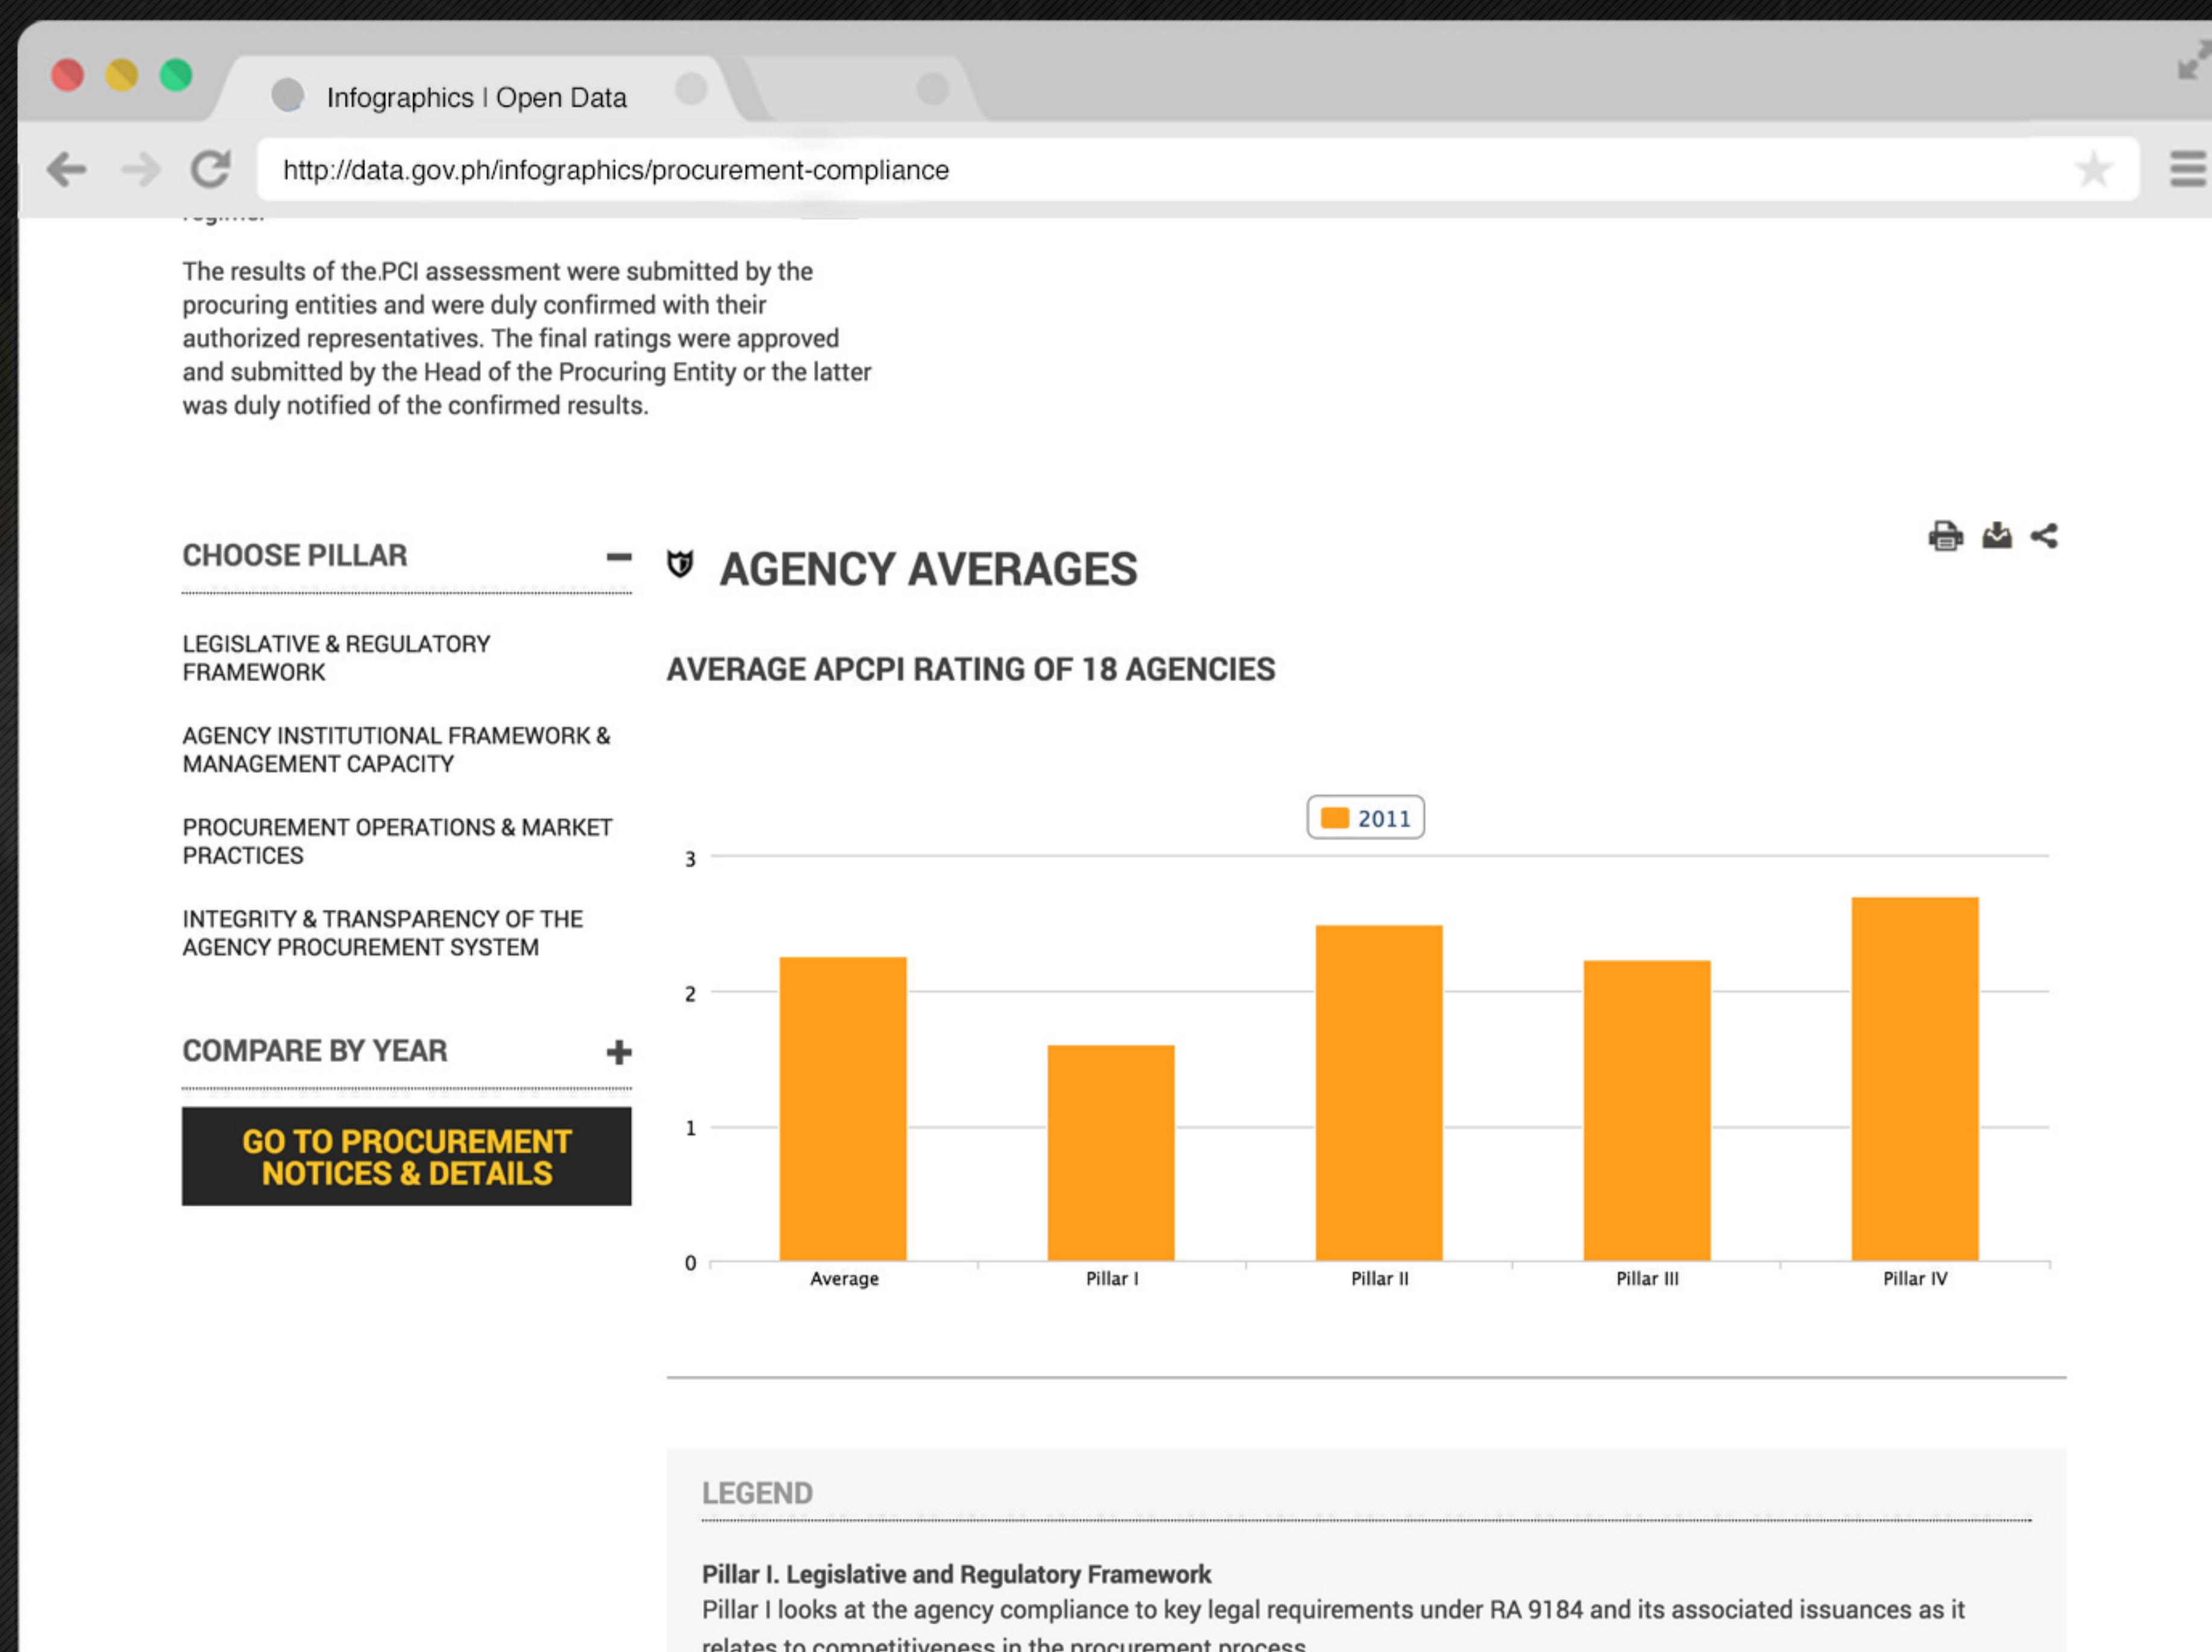

RELATED ITEMS

Links to web pages or other data related to the specific dataset.

Infographics - Procurement Compliance Indicator

Infographic

The screenshot shows a web browser window with the URL <http://site.url/infographics/procurement-compliance>. The page has a yellow header with the word "LOGO". On the right side of the header is a "LOGIN" button and a "No Account yet? Sign up here!" link. Below the header, there is a section titled "INFOGRAPHICS OPEN PROCUREMENT: PROCUREMENT COMPLIANCE INDICATOR (PCI) SYSTEM RESULTS AND RATINGS". This section includes a detailed description of the PCI system, its purpose, and the process for submitting results. A "2011" dropdown menu is visible. Below this, there are sections for "CHOOSE PILLAR" and "AGENCY AVERAGES". The "AGENCY AVERAGES" section displays a bar chart comparing the average PCI rating of 18 agencies across four pillars. The chart shows the following approximate values: Pillar I: 1.7, Pillar II: 2.5, Pillar III: 2.2, Pillar IV: 2.8, and Average: 2.2. The chart is set against a background of a person's face.

Agency Averages

Procurement Dashboard Infographic

DASHBOARD OVERVIEW

The Procurement Notices and Details contain information on the procurement activities of an agency.

LIST OF PROCUREMENTS

With millions of rows of data on procurement records open, we have created a set of filters which will allow you to easily search across all records. For example you can search by Year, National Government Agency, Procuring Entity, Procurement Mode, Procurement Amount and Location.

Dashboard Page

The screenshot shows a web browser window titled "Procurement Site.url" with the URL "http://site.url/infographics/procurement". The page has a yellow header bar with the word "LOGO" and a "LOGIN" button. Below the header, there's a section titled "INFOGRAPHICS PROCUREMENT NOTICES AND AWARDS" with a dropdown menu set to "2015". A note about the Procurement Notices and Details is displayed, mentioning the Philippine Government Electronic Procurement System website as the primary and definitive source of information on government procurement, noting that it only displays information provided by the agencies and is not responsible for any typographical errors or misinformation presented. It also provides a link to learn more about the Procurement Process. A "SELECT AN AGENCY" dropdown is shown with "DEPARTMENT OF AGRICULTURE - MAIN" selected. A note explains that the year dropdown allows selecting the year of results, the agency dropdown selects the primary government agency, and the procuring entity dropdown focuses on a single agency or department. A note at the bottom states that "*" indicates the head agency. The main content area shows a table titled "DEPARTMENT OF AGRICULTURE - MAIN" listing procurement notices. The table columns include DATE POSTED, BID #, FUNDING SOURCE, B.C., P.M., APPROVED BUDGET, CONTRACT AMOUNT, and BID STATUS. The first row shows a notice for April 7, 2015, with bid number 3122234, government funding, and a budget of ₱ 50,000, marked as CANCELLED on April 14, 2015. Other rows show notices for April 2, 2015, with various details like bid numbers, funding sources, budgets, and statuses (e.g., SH-017-15, NP-016-15, NP-089-15).

DATE POSTED	BID #	FUNDING SOURCE	B.C.	P.M.	APPROVED BUDGET	CONTRACT AMOUNT	BID STATUS

Price Monitoring Dashboard

DASHBOARD OVERVIEW

Use this dashboard to compare the average prices of basic commodities on a weekly, monthly, and yearly basis. These commodities include staple food items such as rice and vegetables, and goods such as fuel.

FILTERS

Select filters to narrow down the results to the specific commodities that you want to study and compare.

You can filter by **Product**. You can also change the graph between **Monthly** and **Yearly** views.

Commodity Dashboard Page

The screenshot shows a web browser displaying the 'Infographics | site.url' website at the URL <http://site.url/infographics/commodity>. The page has a yellow header bar with the word 'LOGO'. Below the header, there's a section titled 'INFOGRAPHICS PRICE MONITORING DASHBOARD' with a small descriptive text about comparing average prices of basic commodities. To the right, there's a date selector showing '2013' with a dropdown arrow. On the left, there's a sidebar with 'CHOOSE PRODUCT' dropdowns for 'GAS AND FUEL', 'CONSUMER GOODS', 'AGRICULTURAL PRODUCTS', and 'BASIC MEDICINES', and buttons for 'VIEW BY' and 'SELECT MONTH'. The main content area is divided into two sections: 'GAS & FUEL' and 'OIL PRODUCTS'. The 'GAS & FUEL' section is collapsed. The 'OIL PRODUCTS' section is expanded, showing a table with four columns: 'ITEM', 'Check 1 JAN 10', 'Check 2 JAN 18', and 'Check 3 JAN 25'. The table contains four rows for Unleaded, Diesel, Auto-Lpg, and Lpg Dealer's Price, with each row showing price ranges and units (pesos/liter or kg cylinder). At the bottom of the page, there's a 'LEGEND' section with a note about monitored prices and a list of departments responsible for data collection, along with a note about data compilation by the Presidential Communications Development and Strategic Planning Office.

ITEM	Check 1 JAN 10	Check 2 JAN 18	Check 3 JAN 25
